# Annual Reports of the Town of Seabrook

New Hampshire

1981

For the Year Ending December 31st  
As Compiled by the Town Officers

COVER: Interior of the Charles Fogg Store, South Main Street, about 1905. The Charles Fogg Store was located on the north side of South Main Street between the Rand Church and Worthley Avenue. It was the west ell to the house now owned by Ronald and Mavis Eaton. This photograph shows Charles Fogg standing behind the scales in his grocery store. The scene provides an example of the appearance inside the small country stores of this era. Notice the barrel filled with potatoes, the lamp chimneys resting on the shelves and the bananas hanging from the ceiling. A stove pipe extends across the room to the chimney and vertical bars cover the back window to ward off burglars.

On December 6, 1875, the following account was reported in The Newburyport Daily Herald: " Charles Fogg, grocer of South Seabrook, had his store entered by burglars a night or two since, the thieves cutting the putty from a pane of glass. They were frightened away before they could take much plunder." This perhaps explains the bars across the back window.

Charles Fogg (1830-1912) was the son of Richard Fogg (1806-1877) and Mary Philbrick Chase (1810-1882). He was raised on the family homestead at Fogg's Corner, Hampton Falls, and was taught the trade of shoemaking. In 1853, he married Sarah Ann Johnson. They had one child: Augustus Fogg (1853-1940).

Charles and Sarah were divorced several years later, and on May 9, 1864, he married Huldah Ann Dow (1828-1897), the daughter of Elihu Dow Jr. (1800-1864) and Charlotte Eaton. Huldah's father died several months before the wedding. He had been a merchant, operating a general store from the family home on South Main Street. Upon their marriage, Charles moved to his wife's home there and resumed the business of his father-in-law, which Charles continued until late in his life.

Mr. Fogg served as Seabrook's Representative to the General Court in 1877 and 1878. He also was a constable in 1852 and a hog reeve\* in 1853.

\*A hog reeve was a locally elected official whose responsibility is defined by the following act of the New Hampshire Legislature on June 16, 1791: "That it shall be the duty of the hogreeves... to see that all swine going at large be yoked and ringed as the law requires."

This photograph was provided through the courtesy of Grace, Harvey and Huldah Fogg. The narrative was prepared by Eric N. Small for the Historical Society of Seabrook.

**As Compiled by the Town Officers**

William  
352 37  
343  
1981

WILLIAM H. DURKEE, more recently of Hampton Falls, resided at Seabrook for about 40 years, and certainly left his mark. He came from Lynn, Mass., purchased a Lafayette Road farm-home and started retailing from a farm stand which gradually became the first super-market in the area.

His independently conservative Republican philosophy won him no political friends or backers but he served three terms as Representative to the General Court from Seabrook without party assistance. He initiated several adopted statutes, including the ban on hunting while intoxicated.

While serving as school committeeman he modernized the first (Sanborn) school here with central heat and running water. After moving from five buildings to a central school site he 'sold' a sizeable adjoining plot to the School District for the taxes due. He later purchased an eight-room abandoned school building and tried to convert it into a youth center, but was thwarted by vandals.

He served the town as Selectman, using his business acumen in cutting corners and budgets; while a member of the first budget committee here he sponsored several amendments to the Act.

He 'sold' for \$1.00, 100 acres to the Bailey Co. of Amesbury, Mass., with the proviso a manufacturing plant would be erected, and that Seabrook residents would be favored for employment. He was most influential and helpful in establishing the first school dental clinic and was the driving force in chartering the Seabrook Lions Club with nearly 50 members.

SPECIAL TOWN MEETING  
SEPTEMBER 10, 1981  
SEABROOK ELEMENTARY SCHOOL

Special Town Meeting called to order by Moderator, Stanley A. Hamel at 7:30 PM.

Motion by James C. Falconer, second by Frank Palazzo, that Articles 4 & 5 be taken as first order of business.

Motion to act on Articles 4 & 5 accepted.

Article 4: read by the Moderator: "To see how the Town will vote on the following ordinance: No person, individual, group, organization or corporation shall hold any dog or horse race or meet on a Sunday without first having received approval of the Town by a majority of the vote taken at an annual or special Town Meeting."

Motion by Frank Palazzo, second by James C. Falconer to accept Article 4 as read.

Motion to amend Article 4 by James C. Falconer, second by Frank Palazzo, as follows:  
A motion that this Town Meeting be forever on record as requesting, directing and mandating the Board of Selectmen to proceed forthwith to carry out the expressed wishes of the people, and to administer and enforce the spirit and intent of the above named article and to take whatever action maybe necessary to see<sup>that</sup> whatever cognizant Law Enforcement Agents and Officers Enforce this law; including but no limited to Judicial and Legal remedies, including Mandamus, before the Courts of competent jurisdiction of this State or the Courts of the United States.

Amendment to Article 4 accepted as read.

Several residents explained how Sunday Racing was voted in as a last minute footnote on the State Budget in Concord, N.H.

Gary Holmes (Town Counsel) was asked by Selectmen to clarify Article 4. He was not able to do this as he is waiting for a decision from the Court.

A request to vote by written YES & NO secret ballot by 8 legal voters of the Town of Seabrook.

The results of said ballot were as follows:

YES	635	NO	30
-----	-----	----	----

MOTION PASSED AS AMENDED

Article 5: read by the Moderator, "To see how the Town will vote on the following ordinance: No person, individual, group, corporation, organization, association or other entity shall sell or provide for sale any alcoholic beverages for use or consumption on premises on Sunday, provided however, this order shall not be construed as applying to not-for-profit private clubs or fraternal organizations".

Motion by James C. Falconer, second by Frank Palazzo to accept Article 5 as read.

Motion to amend Article 5 by James C. Falconer, second by Frank Palazzo, as follows:

A motion that this Town Meeting be forever on record as requesting, directing and mandating the Board of Selectmen to proceed forthwith to carry out the expressed wishes of the people, and to administer and enforce the spirit and intent of the above named article and to take whatever action maybe necessary to see that whatever cognizant Law Enforcement Agents and Officers Enforce this law; including but not limited to Judicial and Legal remedies, including Mandamus, before the Courts of competent jurisdiction of this State or the Courts of the United States.

Amendment to Article 5 accepted as read.

A request to vote by written YES & NO secret ballot by 8 legal voters of the Town of Seabrook.

The results of said ballot were as follows:

YES	356	NO	75
-----	-----	----	----

MOTION PASSED AS AMENDED

ARTICLE 1: read by Moderator, "To see if the Town will vote to amend Article 53 of the Town Meeting of March 10, 1981, by repealing same to eliminate the prohibition of operation of all vehicles having a combined gross vehicle weight and gross load weight in excess of 55,000 pounds on all portions of New Zealand Road that may come under Town control".

Motion by Willard Boyle, second by Frank Palazzo to postpone Article 1 indefinitely.

Motion by James S. Eaton, second by Earlene U. Locke to accept Article 7 as read.

This Article submitted by Police Department.

Hand vote taken. YES 71 NO 86

Motion to adjourn by Virginia L. Fowler, second by Walter I. Randall.  
Meeting adjourned at 10:25PM.

## ADMINISTRATIVE ASSISTANT'S REPORT

Without question the biggest change of the past year was the move to the new Town Hall on Lafayette Road. The move was accomplished in two days in August, and the official Open House was held on October 31, 1981. Most citizen input has been favorable, although some bugs have yet to be worked out. In 1982 plans are to grass in the area north of the parking lot, erect outside signs, and install the weathervane.

This year saw some promising developments in the continuing story of Seabrook's water shortage. The Town Meeting appropriated \$900,000 for use in water exploration, engineering and development. Some funds were used to drill test holes and do seismic work for gravel-packed wells, but the major effort was in the search for rock wells. After two disappointing starts, the Town did find a promising site on the western end of Route 107. As the land was controlled by Public Service Company, the Selectmen negotiated a purchase and sales agreement whereby the Town bought 112 acres for \$285,000. The water engineers have given us probable yield estimates of 1,000,000 gallons per day. If these figures hold true, townspeople may be able to enjoy unrestricted use of water in the coming years.

Seabrook continues to enjoy the benefits of the dollars Seabrook Station adds to its tax base. Because of the large sums set aside for capital improvement (i.e., recreation center, well project), we can delay any borrowing of money for the first six months of the year. It is also possible to reinvest large amounts at high yields, with a net income to the Town of approximately \$200,000. The Town is lucky in having the services of Town Treasurer Carol Perkins, who not only makes these investments but manages to keep track of it all in good fashion.

1981 saw the issue of Sunday dog racing confronted, both by demonstrations and by actions at a Special Town Meeting. Pursuant to the votes of that meeting, the Selectmen have made efforts to fight the loss of this local option. Although the outcome will likely not be known for some time to come, it was good to see the voters interested and willing to work for something they believe in.

As the result of a wage and salary survey conducted by the N.H. Municipal Association, a pay plan has now been adopted for all non-union employees of the Town. The plan has been incorporated in the budget proposals for 1982, as outlined in the warrant pages of this Town Report. Employees also benefited from the decision of the Board of Selectmen to pay all health insurance premiums for employees and their families. In combination with the pay plan, this constitutes a handsome package of wages and fringe benefits.

Employees of the Police and Fire Departments have now organized into the first unions among Seabrook town employees. Negotiations with the Seabrook Law Enforcement Association resulted in a contract which was signed on November 30, 1981.

Negotiations with Seabrook's International Association of Fire Fighters Local 2847 are continuing and should result in a contract in the near future. The advent of unionism will undoubtedly affect the operations and supervision of these departments.

As a result of the rapid increase in insurance premiums over the past several years, an effort has been made to get a handle on these costs. Our insurance coverage has been reviewed by a consultant, with a final report expected in early 1982. The consultants have already made recommendations regarding fleet coverage and worker's compensation, in addition to giving advice on the establishment of departmental and safety policies. It is hoped that these recommendations will be implemented in the coming year. The Town also picked up insurance coverage for its officials. This coverage is meant to protect our officials and committee members from losses, provided their actions were in good faith and within the scope of their authority.

Cable television has yet to become a reality in Seabrook. Although they were granted a franchise in 1980, CableVision Services has yet to provide service to any Seabrook customers. The provisions of that franchise agreement give us little opportunity to move this work along. The Selectmen have been approached by the Hampton cable firm. However, any authority to grant another franchise would have to come from the Town Meeting.

In the coming year I would hope to see four things accomplished: purchase of the lands known as Seabrook Beach, from the high water mark to the existing ocean-front houses; development of a high-yield well field on Route 107, resulting in the lifting of the water ban; adoption of a revised Personnel Policy to guide the day-to-day operations and supervision of the departments; establishment of a long-term plan and direction for disposal of the Town's solid waste.

In closing I would like to express my appreciation for the efforts of the people at the Town Hall. I feel the Town is fortunate in having a group which is able to carry on the activities in these offices with a minimum of problems and fuss.

Respectfully submitted,

Steven H. Coes  
Administrative Assistant

### ASSESSING DEPARTMENT

This year was very diversified, with all planned projects ( photos of property; new file systems; cross index file) introduced into the regular office routine and presently being finished for the year 1982.

With the move to the new town building, work continued very well. The addition of a new drafting table and light has proved very helpful in the up dating of town maps.

Plans for the coming year have not been fully developed to date. Tentative project will be the revaluation, which will include both taxable and non-taxable property.

Respectfully submitted  
Margaret B. Weare  
Assessing Department

4	50	Cases to Superior Court

Report from Youth Services Officer

---

- 121 Juvenile Arrests
- 20 Repeat Juvenile Arrests
- 125 Entered into Hampton District Court
- 11 Completed an alternative work detail program of benefit to the Town such as washing and polishing Town Vehicles such as Fire Trucks , Police Cruisers, picking up litter , painting buildings sweeping parking lots.
- 2 Reported run-aways from this Town
- 3 Recovered run-aways from another state.

This year marks the completion of the first full year that the Town of Seabrook has had a full-time Youth Services Officer. We have started a in school education program at the Seabrook Elementary School to teach children in Safety and Drug abuse prevention . We have had many request for tours of the Police Station and have talked to Brownies, and Scout Groups. We have also received a quantity of Drug Abuse Prevention books by several local merchants who contributed to a fund raising drive the Police Department sponsored. The local bicycle registration program is going well with many bicycles listed in our files. We encourage parents to call us and we'll be more than glad to stop by your house and register your bicycles at no charge. Parents are urged to call the Youth Service Officer for any problems that may arise concerning the youth of the community.

Respectfully submitted;

Howard C. Page III  
Youth Services Officer

## FIRE DEPARTMENT REPORT

I would like to take this opportunity to thank all the departments for the help I have received this past year. The Fire Department has had a very busy year both with fire service and ambulance service. I would also like to thank the residents of Seabrook for their help in regards to wood stoves in the town as I feel we have a very good record. We have had very little trouble this year. Good fire protection can only be achieved with your help. We also had very good responses to the free blood pressure checks at our station. Once again it has been my pleasure to serve you as Fire Chief.

## 1981 ANNUAL REPORT OF THE SEABROOK RECREATION COMMISSION

The members of the Seabrook Recreation Commission are Vern Small, Diana Randall, Harry Knowles, Henry Boyd, Earlene Locke, Charlotte Dow, and Sal Rubera.

Programs offered throughout the year included:

A playground program was conducted for six weeks during the summer. Activities included arts and crafts, sports, a summer food service program in which the children were served lunches, puppet show, magic show, Christmas in July at which Santa Claus made a special appearance, trips to Pawtuckaway State Park and Hampton Beach State Park, a junior frisbee contest, Pepsi-Cola/NBA Hot Shot basketball program, and many other special events. Seabrook also had 15 youngsters qualify for the state meet of the Hershey track and field program.

There were approximately 250 youngsters participating in pony league, little league, and farm league baseball as well as girls softball. There was enough interest to create an additional pony league team as well as a teen-age girls softball team which participated in the state tournament. Seabrook also boasted a mens baseball team, as well as a newly created womens softball team which played many area teams.

New programs initiated in 1981 included; participation by 15 Seabrook youngsters in the National Junior Tennis League held in Hampton; a trip to Fenway Park to see the Red Sox; an outdoor education program for teens; a motorcycle maintenance program; and a self defense program.

1981's celebration of Old Home Day began with the Miss Seabrook Pageant and Grand Ball. Maureen Randall was crowned Miss Seabrook for 1981. Activities at the Old Home Day celebration included clam shucking, softball games, skillet toss, horseshoe pitching, musket shott, lobster dinner, dance bands, game booths, crafts booths, food booths, and a fireworks display. A very successful road race was held to top off the weekend of celebration.

Approximately 50 youngsters participated in the pee wee football program and the newly created Winnacunnet Little Warriors football program. A uniformed cheerleading squad was also formed.

The Seabrook Happy Seniors Club meets monthly and has over 200 members. The group takes many trips throughout the year to such places as Hart's Turkey farm, a fall foliage tour, Washington, D.C. and many other places of interest.

Other activities included; womens exercise classes, volleyball for both men and women, basketball for men, ice hockey for 17 youngsters, basketball instruction for children, and a Halloween Haunted House co-sponsored by the Lioness and Lions Clubs of Seabrook.

At the town meeting in 1981, the town voted to raise and appropriate money for various recreation projects. Among the projects undertaken by the Recreation Commission was the purchase of outdoor light fixtures and poles to be installed at both ballfields at Veterans Memorial Park in order for local teams to play night games. Other projects undertaken include the beginning of construction of a small building at Veterans Memorial Park that will be used as a restroom facility, an electrical room to control the use of the outdoor

lights, and a storage room for local teams to store their equipment. Extensive work was done at Farm Lane Dock to make it more accessible for the recreation boater. Work included digging and leveling of the area as well as paving the ramp area so that it will be easier to unload boats. Construction was begun on a tennis court at Governor Weare Park. Money to complete the restroom building at Veterans Memorial Park, install the lights at Veterans Memorial Park and complete the tennis courts at Governor Weare Park is being requested in the 1982 operating budget.

### MOSQUITO CONTROL REPORT

The staff was composed of myself as supervisor, one young male graduate of U.N.H., a male undergraduate of Plymouth State College, and a female instructor on vacation leave from Seabrook Elementary School. All were duly certified by the N.H. Pesticide Control Board in the mosquito control category.

Public notices of the program were posted in the Seabrook Post Office and Town Office at the start of the season and the residents were further notified through the Newburyport Daily News and Portsmouth Herald.

All known beekeepers were notified by registered mail and the location of their colonies recorded that they could be avoided in the spraying program.

The spring larviciding of fresh water mosquito breeding sites commenced in early May and was continued periodically throughout the summer as needed.

Larviciding of the extensive salt marsh breeding sites began in late May. Frequent rains during the summer coupled with the normal periods of high tide resulted in almost incessant breeding of the salt marsh mosquitoes. Treating the marshes to assure that the larvae produced were exterminated before developing into the adult or biting stage proved almost a daily ritual for the mosquito control crew.

The first mosquitoes appeared on the wing during the last week of May in numbers great enough to warrant the commencement of the summer spraying program which was continued through Labor Day. The spraying took place on twenty occasions and the spray route was identical to that of past years.

On Monday of each week the Board of Selectmen was provided a report of the previous week's activities along with those planned for the week ahead.

The pesticides employed were: Cythion 91% ULV for adulticiding; Abate 2G and Flit M-L-O for larviciding.

For the second consecutive year the mosquito population showed a marked decrease. The salt marshes in Seabrook, because of the neglected and badly deteriorating network of mosquito ditching are capable of producing phenomenal numbers of mosquitoes annually. The constant inspection and treatment of these marshes from early June to September is time consuming and necessary if the residents of Seabrook hope to realize measurable relief from the mosquito nuisance.

Perhaps in the future, legislation toward relaxing the regulations governing dredging and filling the coastal marshes will provide permanent rather than temporary relief from a perennial mosquito problem. I would hope that members of the State Legislature representing Seabrook and all other communities in the seacoast area will someday introduce such action.

The staff of the Seabrook Mosquito Control Program sincerely appreciate the cooperation of the townspeople during 1981 and look to another productive year in 1982.

Respectfully submitted  
Robert W. Spencer  
Supervisor  
Seabrook Mosquito Control

ANIMAL CONTROL  
1981 ANNUAL REPORT

110 dogs were taken to Marcoda Pet Shop this year. Of those 27 (24.5%) were put to sleep because no one claimed them and owners could not be found. 3 (2.7%) were given to new homes and 80 (72.7%) of the dogs were returned to their owners.

Of all dogs picked up there were 16 (14.5%) that did not have the street that they were picked up on listed. There were 13 (11.8%) that were picked up at the Police Station either running at large or brought in by the public or other police officer. Of the dogs picked up with the streets listed there were 22 (20%) that were picked up in the beach area (east of Rte. 1-A and between the Neil J. Underwood Memorial Bridge and the state line including River Street. The remaining 59 (53.6%) of the dogs were picked up in the up town area.

The streets in the up town area that had the most dogs picked up on them were as follows:

Collins Street	6 dogs (5.5%)	So. Main Street	6 dogs (5.5%)
Worthley Ave.	3 dogs (2.7%)	Rte. 1	10 dogs (9.2%)

The rest of the streets had only 1 or 2 dogs picked up on them.

The worst street in the beach area was: Atlantic Ave 4 dogs 3.6%. Again, the rest of the streets had only one or two dogs taken off of them.

There were 5 (4.5%) dogs picked up on the beach and taken to the kennel. Most of the dogs found on the beach were with their owners, and did not have to be taken to the kennel.

The dogs taken to the kennel were held an average of 12.4 days before putting them to sleep. The State laws require we hold them only 7 days.

There were 23 dogs picked up that were claimed before they were transferred to the kennel.

There were 212 tickets written which brought a total of \$1,090. in fines to the Town of Seabrook.

There were 5 charges of cruelty to animals brought forward with 3 convictions and two cases still pending court.

A trap purchased by the town for the purpose of humane capture of animals was stolen about 30 days after its purchase, while it was being used to clean up a problem of white domestic rabbits in the Zealand Tr. Pk. The trap was used successfully in the capture of 7 rabbits before it was stolen. These rabbits were taken to the NHSPCA for possible placement to new homes.

There was a capture and relocation of one racoon and 5 skunks during 1981.

During 1981 there were 25 dogs and cats hit by cars. Of these, 9 were transported to a veterinarian for aid and 4 of these died on the operating table. The rest of these dogs and cats (16) were killed by the accident and went to the crematory to be disposed of.

This is an average of 2 plus per month.

There were many injured sea gulls this year and one hawk which was killed by the owner of some chickens that were being bothered by it.

1981 was a bad year for damages done by dogs, as there was one goat and 98 chickens killed by dogs. The owner of the dog killing the chickens was located and reimbursement for the birds was made by the owner of the dog.

1981 was a bad year for the animal control truck as this vehicle would not pass inspection without spending \$2000. to repair the body. Then we had to face the problem that the transmission was slipping, the engine was going and the vehicle needed new brakes. As a result of these problems a van was leased for use by the animal control officer in order to enable the animal control program to continue.

#### HEALTH DEPARTMENT REPORT

There were 505 complaints made to the Health Officer in 1981:

338	Septic system
84	Trash and dumpsters
5	Food spoilage
6	Rodents
7	Apartment floods
4	Animal bites
6	Improper pig pen
1	Hazardous waste
2	Business fires (spoilage)
10	Inadequate hot water
6	Discolored water
3	Swimming pool
8	Inadequate heat
23	Streptococcal infections (Strept throat)
2	Court cases

Respectfully submitted:

Frank Valli

Health Officer

## PLANNING BOARD REPORT

The Seabrook Planning Board has had a very busy year. Although the case load has been relatively light, the Board has spent considerable time on the Master Plan which is nearing completion and should be in printed form in a couple of months.

The Board has requested public input into the plan and has advertised public meetings for such input but none has been forthcoming. Therefore, we have proceeded to form the Master Plan based on the knowledge derived from the survey conducted throughout the town in 1980. We have also used other information that the Board has accumulated through a previous study and survey (1977) conducted by Stephen Coes, Administrative Assistant, and previous studies conducted for the town by private organizations:

1. Comprehensive Town Plan (1967)  
by Hans Klunder Associates, Inc. Consultants
2. Seabrook Municipal Coastal Inventory and Assessment (1979)  
by the Thoresen Group, Planning Consultants
3. Recreational Inventory and Comprehensive Plan (1980)  
by the Allen Organization, Recreational Planners
4. Seabrook Growth Analysis and Development Plan (1981)  
by the Thoresen Group, Planning Consultants

The Board expects a very busy year ahead putting the plan into operation along with aligning the procedures of the Board with the new State Statutes which give the Board its authority. These include amending the Site Plan Reviews, changing its definition of "Abutters" and changing its procedures for setting up "Public Hearings" (for site plan reviews and subdivisions), keeping in mind at all times the protection of the rights of you, the residents of Seabrook.

The Board is always open to suggestions from the residents of the town and its meetings ( the 3rd Tuesday of the month) are always open to the public.

James E. Champoux, Chairman  
William Moore, Vice Chairman  
Mildred Siress, Clerk  
Eric Small  
Vernon Small  
Reese Fowler

## POLLUTION CONTROL COMMITTEE

This year our membership increased to seven, and the board is now comprised of Willard F. Boyle, chairman; Priscilla L. Palazzo, secretary; Lydia M. Gould, Richard E. Blinn, Frank S. Valli, Warner B. Knowles, and James S. Eaton (ex-officio).

The committee spent much time interviewing many engineering firms and finally narrowed the field to three prospects. We are now at the point where one of these firms will be hired and monies must be spent.

Of the original \$100,000.00 approved for this study, only \$5,000.00 was to be borne by Seabrook and the remaining \$95,000.00 was being supplied by the state and federal governments. The state and federal governments have no funds at this time and nobody knows when money will be available again, but the state board has offered to continue to assist us in an advisory capacity.

It is important to now raise the full \$100,000.00 on the local level. Seabrook's need for a sewer is as great as ever and the committee feels that this project should not be interrupted as our pollution problem is becoming more crucial with each passing year.

Respectfully submitted,

Priscilla L. Palazzo  
Secretary

## CIVIL DEFENSE

This department has had many obstacles to overcome this past year. One major problem yet to be resolved is a better location for our CD Headquarters. The Corps of Engineers requires that CD Headquarters must be below ground and have a 3 1/2" reinforced concrete ceiling and be self-sustaining for at least a three week period. Even at the direction of the selectmen, building committees have failed to provide for this department.

On the positive side, we have completed a radiological course for 50% of our police and fire personnel and hope to have the other half complete this course during the coming year. The elementary school is now completely ready to be used as a shelter in case of an evacuation of the beach due to storms, etc. A base station will soon be installed at the school. We are in the process of putting together a portable kitchen run by propane gas. This is to be used in times of emergency. We are completely set-up to cover two-way communications with CB, Ham, State CD, and all local and state fire and police agencies. We have auxiliary power to run all our equipment and are protecting it with a very effective fire and burglar alarm system.

We are in hopes of running essential surveys that could not be done this past year due to lack of personnel.

We should be able to accomplish much more this year as the misunderstandings with the selectmen have been cleared up and they have now consented to giving the same kind of appointments to the auxiliary police that are now given to part-time officers. The auxiliary group will be directly under the Police Dept. when on duty and other times be available to assist the CD Director with defense projects.

Complete evacuation of Seabrook and surrounding towns in case of emergency has become a joke and a political football. However, many people have come to realize the importance of being prepared and with a little more priority put on CD and with the cooperation of all concerned we will be prepared to meet any emergency in spite of all our obstacles.

Respectfully submitted,

Frank J. Palazzo  
Director of Civil Defense

## FINAL REPORT ON THE RESTORATION OF THE OLD SOUTH MEETINGHOUSE

I have prepared this final report on the expenditure of funds as approved by the 1981 town meeting according to article 23, which called for the raising of \$32,000 "for the purpose of restoring the interior of the Old South Meetinghouse."

On April 2, I submitted the restoration plans for the Historical Society of Seabrook to the Board of Selectmen. The Board approved the plans and appointed me to oversee the project.

The proposal involved restoring the building to its appearance in 1858 when the Town of Seabrook and the First Baptist Society of Seabrook added a second floor--the first for use by the town as a meeting hall and the second for use by the society as a church.

I will explain the total restoration by describing the work done on each level starting from the steeple downward. A professional steeple jack was hired to prevent the leaks in the belfry and to secure the platform to the bell.

The following work was completed; removal and replacement of four major beams. replacement of the belfry floor, resetting of the bell, building louvers for the belfry with galvanized hardware cloth to keep the pigeons from entering the building, re-roofing the belfry deck, rebuilding the bell cradle, removal of pigeon manure, disinfecting the belfry, fumigating the timbers for powder post beetles, complete stripping and painting of spire, replacing damaged roof boards, goldleafing the weathervane, and hanging a new bell rope.

The second floor required major reconstruction. Before the roof was reshingled in 1975 by the Old South Meetinghouse Preservation Committee, rain had damaged much of the west ceiling. Also, a coffin ramp had been built through the south floor.

The following work was completed on the second floor: Before construction began here, the pews were removed and stored on the first floor, Homosote tiles were removed from the ceiling and walls, a new ceiling was constructed, the old plaster walls were patched and the ceiling and walls were painted. The coffin ramp and planter

around it were dismantled and a new floor was built with old matching boards. The tiles on the floor were removed and the floor was sanded, afterwhich the pews were relocated to their original positions. The Historical Society stained the floor and the woodwork to correspond with the original stain which had been painted over on the wainscoating, around the windows and doors. The original chandileer was restored and bracket lamps were hung in it.

The first floor did not need as much reconstruction as the second one, as fewer changes had taken place there over the years. The carpentry work included taking down the partitions and rooms, sealing off the west door, reopening the south door, and building a room around the furnace to hold a toilet and sink.

The following work was completed on the first floor; removing the electrical wires and lighting, and the heating ducts from the ceiling; moving the toilet and sink to the furnace room; connecting the pipes to the septic tank; installing a burglar alarm system; placing outlets in the ceiling for the bracket lamps; rebuilding the ceiling to the coffin ramp and a wall over the opening to the west door; and painting the ceiling, walls and floors.

Special recognition should be given to Harry C. Brown for his labors reproducing the raised paneling around the furnace room and along that section of the west door to match the existing paneling. He contributed his skill and time at no cost to the project.

To reproduce the atmosphere of a mid-19th century meeting hall, an old woodstove was purchased and installed, the settees were stained, and reproduction bracket lamps were hung from the six support columns.

Other work involved rebuilding much of the west foundation, clapboarding the exterior of the west door, repainting the stairways and entrance hall, restoring the sliding doors to the two staircases, and hanging a chandileer in the entrance hall.

Special thanks should go to Hollis A. Knowles Jr. for his work on the Chandileers, to Bruce G. Brown for contributing field stones for the west foundation. Both efforts were done at no cost.

The restoration project was completed on October 19, and on that same evening a dedication program was held for the community to see the building. A capacity crowd was in attendance.

On behalf of the Historical Society of Seabrook, I extend sincere thanks to the Town of Seabrook for funding this major historic restoration undertaking, and I hope the community will make good use of this building in years to come.

Sincerely,

Eric N. Small

President

## BROWN LIBRARY REPORT

Library patrons were pleased with the 9:00 A.M. to 2:00 P.M. summer hours at the library this year. They were able to come in during the cool of the day and avoid the heavy traffic during the afternoons. There was an increase in circulation again this year, from 8394 to 10,004 volumes, including books for both adults and young people. More than a thousand books were added to the shelves this year. The copy machine is heavily used and more than pays for itself.

A gift of an artificial Christmas Tree was given by Joan Fenske and enjoyed by all the patrons. It will be stored and used each year. It was decorated with ornaments made by different Brownie troops in town. Mrs. Harriet C. Joyce, a resident of Arlington, Mass. made a very generous donation of Time Life Books, 200 classics in paperback editions, and several childrens books all in excellent condition.

Spherex Inc. has given the library the 1980 edition of the Thomas Register of American Manufacturers and Mr. John A. Rosatone, an accountant, has given the 1980 series of Standard Federal Tax Reporter. Both of these sets are very helpful and were welcome donations. McDonald's has co-sponsored, again this year, the summer reading program. There were 25 participants this summer.

The Seabrook Day Care Center made use of the films offered through the N.H. State Library and borrowed many during the summer. The library was decorated for all major holidays by the Brownie troops in town.

There were two exhibits in the entry hall, both of them done by the Seabrook Historical Society. The show case is available to anyone interested in sharing their hobbies or collections.

To the Members of the  
Board of Selectmen  
Town of Seabrook  
Seabrook, New Hampshire

We have examined the combined financial statements and the combining and individual fund financial statements of the Town of Seabrook, New Hampshire, as of and for the year ended December 31, 1980, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1G, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts which should be included to conform with generally accepted accounting principles.

In addition, the Town has not capitalized the cost of property and equipment purchased by the Proprietary Fund (Water Department). Likewise, no depreciation expense is recorded on this fund. Generally accepted accounting principles require that property and equipment of proprietary funds be capitalized and depreciated over the useful lives of the assets. The Town's records do not permit the application of adequate procedures to enable us to determine the cost value of capital assets or related depreciation expense on them.

Because of the material effect of the omission of fixed assets and related depreciation on the financial position, we do not express an opinion on the financial statement of this Proprietary Fund.

In our opinion, other than the financial statements of the Proprietary Fund mentioned above, and except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the second paragraph of this report, the combined financial statements and the combining and individual fund financial statements referred to above, present fairly the financial position of the Town of Seabrook, New Hampshire at December 31, 1980, and the results of its operations and the changes in financial position of its proprietary fund types for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

TOWN OF SEABROOK

---

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining and individual fund financial statements. The accompanying financial information listed as supporting schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Seabrook, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining and individual fund financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

March 26, 1981

**TOWN  
OF  
SEABROOK**

**TOWN WARRANT**

THE STATE OF NEW HAMPSHIRE

TOWN OF SEABROOK

TOWN WARRANT FOR 1982

L.S.

To the inhabitants of the Town of Seabrook, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet in the auditorium of the Seabrook Elementary School, Walton Road, on Tuesday, March 9, 1982 at 10:00 o'clock in the forenoon and to cast ballots until at least 7:00 o'clock in the evening of the same day, and to meet in the Upper Hall of the Seabrook Firemen's Association Building, Route 286, on Thursday, March 11, 1982, at 7:00 o'clock in the evening to act on the Articles herebelow.

Further you are hereby notified that the moderator will process the absentee ballots at 3:00 o'clock in the afternoon of the same day pursuant to RSA 659:49.

ARTICLE 1. To elect by Non-Partisan ballot: One Selectman and Assessor for a term of three (3) years; One Tax Collector for a term of three (3) years; One Fire Chief for a term of one (1) year; One Road Agent for a term of one (1) year; Three Constables for a term of one (1) year; Two members of the Planning Board for a term of three (3) years; Two members of the Planning Board for a term of two (2) years; Two members of the Planning Board for a term of one (1) year; Two members of the Budget Committee for a term of three (3) years; One Trustee of the Trust Funds for a term of three (3) years; One Park Commissioner for a term of three (3) years; One Supervisor of the Checklist for a term of six (6) years; One Moderator for a term of two (2) years.

(On the Official Ballot)

ARTICLE 2. To see if the Town is in favor of the adoption of Amendment No. 1, as proposed by the Planning Board for the Town of Seabrook Zoning Ordinance as follows: To amend Section X Definitions by including an additional sentence to the definition of dwelling: 2-family, so that the paragraph will read as follows: Dwelling: 2-Family - A detached building designed for or occupied by two families exclusively, living independently and separately of each other therein. Two attached mobile homes shall not be deemed a two-family dwelling, but rather, two separate dwelling buildings.

(On the Official Ballot)

ARTICLE 3. "Shall a charter commission be established for the purpose of revising the municipal charter or establishing a new charter?"  
To elect a six member charter commission  
pursuant to R.S.A. 49-B:4I(a).

(On the Official Ballot)

ARTICLE 4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes and to renew and refund Town notes.

ARTICLE 5. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

ARTICLE 6. To see if the Town will vote to authorize and empower the Selectmen to appoint such permanent police officers, firemen and employees for all other Departments of the Town as they deem necessary.

ARTICLE 7. To see if the Town will vote to authorize the Board of Selectmen to sell at public auction or by advertised sealed bids such Town property as is no longer used by the Town.

ARTICLE 8. To see if the Town will vote to authorize withdrawal from the Federal Revenue Sharing Fund for use as an offset against the following debt service:

<u>PURPOSE</u>	<u>AMOUNT</u>
1955 Water Bond - Principal	\$ 25,000
1975 Water Bond - Principal	<u>\$ 75,000</u>
	\$ 100,000

(Recommended by the Budget Committee)

ARTICLE 9. To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend up to TEN THOUSAND (\$10,000.00) DOLLARS in Coastal Energy Impact Program (CEIP) Planning Grants, and to raise and appropriate the sum of TWO THOUSAND (\$2,000.00) DOLLARS as the Town's 20% local match toward said Grant.

(Recommended by the Budget Committee)

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of TWO HUNDRED SEVENTY FIVE THOUSAND (\$275,000.00) DOLLARS for the purpose of constructing a pumping station and such support facilities as are necessary at the new well field on Route 107.

(Recommended by the Budget Committee)

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of ONE HUNDRED THOUSAND (\$100,000.00) DOLLARS for the purpose of a reappraisal of the real estate in the Town for tax assessment purposes.

(Recommended by the Budget Committee)

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of ONE HUNDRED THOUSAND (\$100,000.00) DOLLARS to be used in the preparation of a report for sewerage and sewage treatment facilities, including such land acquisition, easements, rights-of-way, surveys and borings as are required.

(Recommended by the Budget Committee)

ARTICLE 13. To see if the Town will vote to establish a Capital Reserve Fund to be known as the "Sewer Fund" for the purpose of designing and constructing a municipal sewer system or sewerage treatment works including the purchase of land therefore, and to raise and appropriate the sum of ONE MILLION (\$1,000,000.00) DOLLARS to be deposited in said Fund.

(Not recommended by the Budget Committee)

ARTICLE 14. To see if the Town will vote to authorize the Selectmen to negotiate and enter into a contract with any solid waste facility, or the operator thereof; or with other towns, cities, or unincorporated places for the purpose of providing a long term solution for the collection, separation, and/or recycling of refuse, garbage and waste. Said contract shall be upon such terms, including terms of years, minimum deliver amounts, and cost, as the Selectmen determine are in the best interest of the Town. To the extent that the Town has voted to authorize the Selectmen to enter into any specific contract for the disposal of the Town's solid waste, and said contract has not been executed, then said vote is hereby rescinded and revoked.

ARTICLE 15. On petition of Roy F. Shiepe and Nine (9) other voters of the Town: At the 1981 Town Meeting, the people voted to appropriate the sum of \$18,500.00 for the purchase of a giant beach rake that could be pulled behind a tractor and keep the beach clean.

Further investigation revealed that it would be more economical and far better in the long run to get one that was individually motorized.

It is hereby petitioned that an additional amount of \$7,000.00 be added to the aforementioned amount so that a completely self-sufficient unit can be purchased.

(Recommended by the Budget Committee)

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of FIVE HUNDRED FIFTY THOUSAND (\$550,000.00) DOLLARS for the purpose of purchasing the Straw property for municipal purposes, and for remodeling and furnishing the building for use as a police station.

(Recommended by the Budget Committee)

ARTICLE 17. To see if the voters of the Town of Seabrook will vote to construct the proposed recreation facility on Seabrook School District property instead of the proposed site on Lafayette Road. The facility will be under the complete jurisdiction of the Recreation Committee.

ARTICLE 18. To see if the Town will authorize the Planning Board to review site plans for the development of tracts for non-residential uses, or for multi-family dwelling units other than one and two-family dwellings, whether or not such development includes a subdivision or re-subdivision of the site, under the provisions of RSA 36:19a (Supp.).

(Recommended by the Planning Board)

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of THREE THOUSAND FIVE HUNDRED (\$3,500.00) DOLLARS for the purpose of purchasing a pressure/hot water cleaner for use by all Town departments. Said cleaner is to be operated and maintained by the Highway Department.

(Recommended by the Budget Committee)

ARTICLE 20. To see what action the Town will take on the following question: Are you in favor of abolishing the Parks Commission as established by vote of the Town on March 13, 1948, and consolidating all its duties and appropriations in the Recreation Commission established by vote of the Town on March 14, 1980?

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of THREE THOUSAND THREE HUNDRED AND SIXTY FOUR (\$3,364.00) DOLLARS for the purpose of purchasing a Frink 3711 ATST snow plow with hitch and accompanying hardware. Said plow is presently leased from Howard P. Fairfield, Inc. of Concord, N.H. and is to be used by the Highway Department.

(Recommended by the Budget Committee)

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of FORTY THOUSAND (\$40,000.00) DOLLARS for the purpose of purchasing a new backhoe for use by the Water Department.

(Recommended by the Budget Committee)

ARTICLE 23. On petition of Eric N. Small and one hundred seventy-seven (177) other voters of the Town: To see if the Town of Seabrook will raise and appropriate the sum of ONE HUNDRED SEVENTY THOUSAND (\$170,000.00) DOLLARS for the purchase of the 3.1 acre lot which surrounds the Old South Meetinghouse on the corner of Route 107 and Lafayette Road for historical and civic purposes.

(Recommended by the Budget Committee)

ARTICLE 24. On petition of Lydia M. Gould and nine (9) other voters of the Town: To see if the Town will raise and appropriate

the sum of FOURTEEN THOUSAND NINE HUNDRED (\$14,900.00) DOLLARS for the following improvements at the Brown Library: installing storm windows, putty outside windows, carpeting the reference loft, painting the exterior, rebuilding the outside porch rail and drain pipe, and renovating the basement into a children's reading room.

(Recommended by the Budget Committee)

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of TWO HUNDRED SIXTY TWO THOUSAND (\$262,000.00) DOLLARS for the purpose of capital expenditures on construction and improvements to the Town water system.

(Recommended by the Budget Committee)

ARTICLE 26. To see if the Town will vote to authorize the necessary connections with the American Water Works System in Salisbury, Massachusetts, for the purpose of providing emergency protection in the event of fires and main breaks; and to authorize the Selectmen to enter into such agreements as may be necessary and proper for such emergency protection.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of NINETY FIVE THOUSAND (\$95,000.00) DOLLARS for the purpose of constructing a water works shop and garage on a town-owned site to be determined by the Selectmen.

(Not recommended by the Budget Committee)

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of ONE HUNDRED EIGHTY NINE THOUSAND (\$189,000.00) DOLLARS for the purpose of capital expenditures on construction and improvements to the Town Shed.

(Not recommended by the Budget Committee)

ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of FOUR THOUSAND (\$4,000.00) DOLLARS as the Town's donation to the Exeter Area Youth Group Home.

(Recommended by the Budget Committee)

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of FIVE THOUSAND (\$5,000.00) DOLLARS as the Town's donation to the Seabrook Day Care Center, under the sponsorship of the Child Development Council, Inc.

(Recommended by the Budget Committee)

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of FIVE THOUSAND FOUR HUNDRED (\$5,400.00) DOLLARS for the purpose of purchasing a 1982 Ford E-100 Cargo Van. Said van is presently leased from McFarland Ford Sales, Inc. of Exeter, N.H. and is to be used by the Animal Control Officer.

(Recommended by the Budget Committee)

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of TWO THOUSAND SEVEN HUNDRED AND SEVENTY FIVE (\$2,775.00) DOLLARS for the purpose of purchasing holding cages for use in the animal control vehicle.

(Not recommended by the Budget Committee)

ARTICLE 33. On Petition of Vernon Small and twenty six (26) other voters of the Town: To see if the Town of Seabrook will direct the Board of Selectmen to name the so-called Service Road the Batchelder Road in honor of Dr. Charles H. Batchelder.

ARTICLE 34. On petition of John Crandall and eighteen (18) other voters of the Town: To see if the Town will vote to raise and appropriate the sum of THIRTY THOUSAND (\$30,000.00) DOLLARS to upgrade and pave the westerly portion of Pine Street to a point approximately 250' east of Interstate 95.

(Not recommended by the Budget Committee)

ARTICLE 35. On petition of James Falconer and eleven (11) other voters of the Town: To see if the Town will vote to raise and appropriate the sum of EIGHT THOUSAND (\$8,000.00) DOLLARS to recondition and resurface Ledge Road, east of the existing hottop, to Service Road, and connect the easterly end of Ledge Road to Service Road.

(Not recommended by the Budget Committee)

ARTICLE 36. On petition of Jane Cassin and nine (9) other voters of the Town: To have Selectmen "take whatever actions are necessary to establish a traffic signal at the intersection of Lafayette Road and Railroad Avenue."

ARTICLE 37. To see if the Town will vote to raise and appropriate the sum of THIRTY THOUSAND (\$30,000.00) DOLLARS for Its use in acquiring and/or developing land for recreational purposes.

(Recommended by the Budget Committee)

ARTICLE 38. To see if the Town will vote pursuant to authority under RSA 80:42 III to authorize the Selectmen to sell tax title property in the first instance to former owners of the property or the heirs of said owners for a sum not less than the outstanding taxes owed plus accrued interest to the date of tax deed; or failing such sale, then by advertised sealed bids or public auction, at the discretion of the Selectmen.

ARTICLE 39. On petition of Lorraine Boyd and seventeen (17) other voters of the Town: To see what action the Town Meeting will take in authorizing the sale of the John & Delores Pettiglio lot on South Main Street which is tax titled property.

ARTICLE 40. On petition of Patricia M. Staples and twenty-six (26) other voters of the Town: To see if the Town will vote to authorize the Selectmen to sell to Patricia M. Staples for the sum of Three thousand two hundred (\$3,200.00) dollars, the tax title it holds on land, North side of South Main Street, as assessed to Joan Delores Pettiglio and acquired by the Town by Tax Collector's Deed, dated May 16, 1975.

ARTICLE 41. On petition of Howard L. Janvrin, Sr. and fourteen (14) other voters of the Town of Seabrook: To see if the Town will vote to authorize the Selectmen to sell to Howard L. Janvrin, Sr. for the sum of THREE THOUSAND FOUR HUNDRED FIFTY (\$3,450.00) DOLLARS the tax title it holds on land on South Main Street, as assessed to Joan Delores Pettiglio and acquired by the Tax Collector's Deed dated May 13, 1975.

ARTICLE 42. On petition of Diana Beckman and one hundred twenty (120) other voters of the Town: To see if the town will vote to authorize the Selectmen to sell to Diana M. Beckman, sister of Joan D. Pettiglio, the tax title it holds on land on South Main St., (Clarissa Janvrin homesite) as assessed to Joan D. Pettiglio and acquired by the town by Tax Collector's Deed dated May 13, 1975, for the sum of \$2712.00 (taxes and interest owed) book 2237-page 0113.

ARTICLE 43. To see if the Town will vote to raise and appropriate the sum of THIRTEEN THOUSAND (\$13,000.00) DOLLARS for the purpose of purchasing a Crime Prevention Van.

(Recommended by the Budget Committee)

ARTICLE 44. To see if the Town will vote to raise and appropriate the sum of TEN THOUSAND (\$10,000.00) DOLLARS for the purpose of purchasing a police cruiser for an added patrol.

(Recommended by the Budget Committee)

ARTICLE 45. To see if the Town will vote to empower the Selectmen to assign one of the old police cruisers to the Police Department for use by the Youth Services Officer in his official duties with the youth of the Town.

ARTICLE 46. On petition of James Falconer and fourteen (14) other voters of the Town: To see what action the Town Meeting will take by majority vote to instruct, direct, and mandate the Selectmen to bring a mandamus legal action and/or such other legal remedy as may be necessary in a court or courts of proper jurisdiction against the Attorney General of the State of New Hampshire, to force compliance of the laws of the State controlling and regulating greyhound dog racing; specifically RSA 284:15 which laws require that certain financial reporting and disclosures must be filed on a timely basis annually, before a license may be issued to hold greyhound dog racing, and further that a fine of \$5,000.00 and one year in jail or both is the penalty for failing to do so, and that Yankee Greyhound Inc. of Seabrook has not complied with the laws of the State for filing these reports, thereby flouting the law and not paying a penalty for so doing.

ARTICLE 47. On petition of Claire A. Champoux and twelve (12) other voters of the Town: To see if the Town will appropriate the sum of FOUR THOUSAND (\$4,000.00) DOLLARS to have the Supervisors of the Checklist prepare one consolidated alphabetical checklist to be printed by computer before the 1983 town election.

(Not recommended by the Budget Committee)

ARTICLE 48. On petition of Stanley Hamel and fourteen (14) other voters of the Town: Shall all elected officials of the Town be given the same percentage pay raise each year as that given to other Town employees?

ARTICLE 49. On petition of Clyde O. Brown and fourteen (14) other voters of the Town: To see what action the Town Meeting will take to establish a ONE MILLION DOLLAR (\$1,000,000.00) contingency fund for the purpose of defraying the cost of the decommissioning of the Seabrook nuclear electric generating facilities. The monies to be raised and appropriated and paid into said "Decommissioning Contingency Fund" as the exigencies and the so-called Nuclear Decommissioning Finance Fund and Committee may determine pursuant to R.S.A. 162 as amended by Chapter 109 of the laws of 1981. The purpose and intent of this article and the contingency fund is not to pre-empt the intent of Chapter 109, and the N.H. Legislature, nor to usurp any authority of the Nuclear Decommissioning Finance Committee established under Chapter 109; but is intended to work in conjunction with the Nuclear Decommissioning Finance Committee to determine the funds needed from time to time and the aggregate cost of the ultimate and final decommissioning and dismantling of said facilities. It is further intended that the Town of Seabrook shall from such appropriated funds set monies aside in same contingency fund in its own accounts and these funds may be invested and/or reinvested as the Town sees fit pursuant to the Municipal Finance Act, and said funds are not to be comingled with the State of New Hampshire's funds.

(Not recommended by the Budget Committee)

ARTICLE 50. On petition of Arthur L. Knowles and fifteen (15) other voters of the Town: To see what action the Town Meeting will take to raise and appropriate the sum of TEN THOUSAND DOLLARS (\$10,000.00). The purpose of these monies to be allocated to the Seabrook Citizens to Defend Home Rule are intended to be used for legal and other administrative expenses to bring about the defeat of Sunday greyhound dog racing in Seabrook, and to further serve as a contingency fund to defend home rule in Seabrook on any other issues which may have an adverse effect upon the citizens and the community.

(Not recommended by the Budget Committee)

ARTICLE 51. To see if the Town will vote to raise and appropriate the sum of ONE HUNDRED THOUSAND (\$100,000.00) DOLLARS for the purpose of adding to the Municipal Building Fund.

(Recommended by the Budget Committee)

ARTICLE 52. On petition of Mary Helen Bragg and thirteen (13) other voters of the Town: To see if the Town will vote to authorize the Selectmen to grant an additional cable television franchise to PCNH Limited upon such terms and conditions as they feel are advantageous to the Town, all in accordance and pursuant to the authority granted under New Hampshire RSA 53-C.

ARTICLE 53. To see what sums of money the Town will vote to raise and appropriate for the expense of the General Government for the protection of persons and property, for health and sanitation, for highways and bridges, for the support of the Town poor and for all necessary expenditures for the ensuing year.

ARTICLE 54. To transact all other legal business that may come before this meeting.

GIVEN under our hands and seals this 12<sup>th</sup> of February, in the year of our Lord One Thousand Nine Hundred and Eighty Two.

## REPORT OF THE WATER DEPARTMENT

There were 287,167,520 gallons of water pumped during 1981, a decrease of 59,960,170 over the previous year. This decrease was observed in the summer months by the users observing our water ban better than the previous year.

Industrial and commercial use increased from 102,515,140 gallons in 1980 to 107,983,320 in 1981. This increase is attributed to U.S.M. Corp.-Bailey Division who had an increase of almost 6,000,000 gallons.

There were 38 new water services installed in 1981.

Two large water services were installed in 1981. The first was one six inch service for E.N. Dixon Co. off True Road for fire protection only to his lot subdivision. The second was an eight inch water service installed at the new Town Office at the Route 1 Traffic Circle.

A 12 inch water main was installed from the west end of Weare Road under Route 107 and along Route 107 to a new well field near the Kensington town line. Approximately 112 acres of land was purchased in Seabrook and in Kensington. Three ten inch production wells will be drilled early in 1982. These wells are artesian or rock wells about 500 feet deep. If everything goes favorably, these wells could go on line about the middle of 1982 producing about 1,000,000 gallons per day.

Again we want to thank you for the cooperation shown during the summer months for limiting outside use of water. Hopefully if the new wells produce sufficiently enough water, this ban could be dropped.

Respectfully submitted

WARNER B. KNOWLES  
Superintendent
